

REMARKS/ARGUMENTS

This preliminary amendment is being submitted in accordance with 37 CFR 1.121. This application originally contained claims 1-33. In accordance with Applicant's response to the Examiner's April 30, 2003 official action in parent application no. 09/994,231, claims 4, 16 and 27 were amended and have been allowed. Claims 1-3, 5-15, 17-23, 25, 26, and 28-33 were canceled with the intention that these claims would become the subject of a continuation application. Accordingly, Applicant is amending the present continuation application to include claims 1-3, 5-15, 17-23, 25, 26, 28-33, which correspond exactly to these claims as presented in the parent application. Furthermore, Applicant has included new claim 34 herein which is based on the original specification as filed and contains no new subject matter.

Applicants respectfully submit that claims 1-3, 5-15, 17-23, 25, 26 and 28-33 as well as new claim 34 are in condition for allowance and early favorable action in the form of a Notice of Allowance is solicited.

If any charges or fees must be paid in connection with this communication, the Commissioner is hereby authorized to charge our deposit account no. 10-1202.

Respectfully submitted,

James B. Raden

Attorney for Applicant
